DETAILED ACTION

Allowable Subject Matter

Claims 1-15 and 19-34 are allowed.

The following is an examiner's statement of reasons for allowance:

The examiner has reviewed the prior art Ershov reference (US6381257) in light of applicant's claimed invention and finds that the claims define over the Ershov reference. The prior art does not disclose or suggest inter alia the limitations of the grating in thermal contact with a heat sink and a line-narrowing module with a beam expander, an interferometric device, and a grating.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
